

# Edison Avenue Street Improvements

## WHO

City of Chino, Lennar Homes, and College Park joint venture collaborative project.

## WHAT

The next phase of the College Park Ultimate Improvement project is underway. This includes construction of storm drain, street widening, curb, gutter and sidewalk, pavement rehabilitation, Ayala Park entrance improvements, traffic signal improvements, and pedestrian accessibility improvements.

## WHERE

Along Edison Avenue from Central Avenue to east of Oaks Avenue. Includes intersections and entrances along Edison Avenue at Central Avenue, 12th Street, YMCA entrance, Connie Yankey Way, and Oaks Avenue.

## WHEN

Through end of summer 2023.

## LOOKING AHEAD

Expect long-term traffic control in the area reducing lanes, lane merging, lane shifting, and intermittent closures of entrances into Ayala Park.

## Please Note :

- Access to Ayala Park will be maintained at all times.
- View current closures and sign up for updates by visiting:
