## **Community Active Shooter Response Training**

CHINO, CA – On Thursday, June 22, from 6:00 pm to 8:00 pm, the Chino Police Department will host a 2-hour Community Active Shooter Response Training in partnership with the Chino Valley Independent Fire District. The training will be hosted at the Chino Police Department and is open to adults (18 years or older) who live or work in the City of Chino.

The course participants will learn from the shared history of incidents that have occurred in the workplace and the knowledge of our skilled instructors on how to mentally prepare in the event of an Active Shooter incident. Participants will be taught to prioritize the best first response during a critical incident using the "Run, Hide, Fight" philosophy. The course also touches on basic first aid, law enforcement priorities when they arrive on the scene and the best manner to get help in a critical situation.

Class size is limited, and a reservation is required. RSVPs will be taken via Eventbrite at the link below. The deadline to register is June 15, 2023.
